PHILANTHROPY

Each year, Riddle Hospital receives thousands of charitable donations, both large and small, from the community. Many people give to the Annual Fund or make special gifts to projects such as capital campaigns for new facilities and technology. Others choose to make planned gifts, such as bequests in their will or a life-income gift to establish an endowment in an area of their interest. These gifts help ensure that Riddle Hospital continues to provide the highest quality and most compassionate, human care possible.
